Mr. Khan:

Congratulations! Your business continues to meet the state eligibility requirements as established in OAR 123-200-1000 - 2200 and remains Minority Business Enterprise (MBE) certified subject to federal and state laws applicable to the transaction of business.

Please refer to the dates above. Continued certification is contingent upon annual reporting of personal and business income with a filing through review of ongoing eligibility every third year. OOBID will notify you, in advance of your annual obligation to report.

You are required to notify OOBID if, at any time, there is a material change in your firm, including changes in ownership, control, operational management, address, or contact information. You must notify this office in writing within 30 days of the change. Submit a Change Request through our online certification management system (<https://oregonbizdiversitysoftware.com>), via U.S. Mail, or by email to [OOBID@oregon.gov](mailto:OOBID@oregon.gov). Notification should include any supporting documents. Failure to inform OOBID of changes or to respond to requests for annual reporting may result in de-certification.

Your Company remains in the **Directory of Certified Firms** publicly available at [www.Oregonbiz.com](http://www.Oregonbiz.com). We recommend that you regularly check your firm's information in the Directory to confirm your contact information is current and that the description and NAICS codes listed accurately describe your services and/or products. Your web address in our Directory is key to vendors and agencies identifying and confirming your certification in Oregon. As long as your firm remains in the Directory, you are certified.

You may continue to compete for and perform work on any state, county, city, and special jurisdiction (e.g., universities, hospitals, etc.) funded projects throughout Oregon, receiving Minority Business Enterprise (MBE) credit in the following areas:
